

Seven Steps to Rise Curriculum and Skills Builder Links

A brief guide to how each step of the Rise programme connects with the secondary curriculum and the [Skills Builder Universal Framework](#).

Due to the group nature of each task and the challenging nature of the whole process, the Skills Builder Framework is covered comprehensively throughout these activities - from the Speaking and Listening criteria to Teamwork and Leadership. Above all, the expectation to Aim High and Stay Positive is part and parcel of the Creativity and Problem Solving within the challenge itself.
